REVIEW 01.

“Emma is the absolute best. Stop your search & book her; no need to look elsewhere! She is kind, funny, and EXTREMELY talented. Further, she is an excellent communicator and was so helpful with all my questions. We are absolutely obsessing over our sneak peek photos from our wedding and absolutely loved our engagement photos in Montana de Oro. Emma is wonderful and I couldn't imagine anyone else taking photos for the biggest day of our lives. Book her - you won't regret it one bit!”

BEHIND THE LENS

EMMA NICOLE

I'm a fine art wedding & elopement photographer (or as I like to call it, a professional third-wheel) for those wild enough to fall in love. Born and raised on the West Coast, I spend my days traveling, camera at the ready, to capture beautifully unique and adventurous love stories.

When I'm not obsessing over how freakin cute my couples are, you can find me at home with my love and our two kitties. Some of my favorite things to do include trivia nights at our favorite local brewery, listening to true crime podcasts, and snuggling with our fur babies, Boris and Kiki.

INVESTING IN MEMORIES

Photography is an investment in tangible memories that will last you a lifetime. And that's something I take very seriously.

When you hire me as your wedding photographer, I will capture you - the silly, messy, imperfectly perfect, and full of love you. From nose crinkles to full on belly laughs, I will spend my time doing whatever it takes to capture those ephemeral moments that are filled with life and love. This is an investment and you deserve raw, passionate, sun-kissed authenticity that you can look back on for years to come. That's why I'm so honored you're here, and I cannot wait to be a part of your love story.

“
*you should hire
emma!*”

“I cannot stress how much I loved having Emma as our photographer. My now husband and I are two absolutely awkward dorks and Emma managed to calm our nerves, make us laugh, and take gorgeous photos of us at the same time. Emma provided us with lots of details and helpful tips before both our engagement shoot and the wedding. On the day of the wedding, she killed it with handling our family, staying true to the timeline, and helping us find special moments to capture that we can now remember forever.”

frequently asked

WHEN WILL I RECEIVE MY PHOTOS?

You'll receive a sneak peek of a few photos within the first week of your day (I know you're anxious to 'gram!). For engagements, photos are delivered within 4-6 weeks. Weddings and elopements are delivered within 8-10 weeks.

HOW MANY IMAGES ARE INCLUDED?

You can expect to receive about 40-50 final hand-edited images per hour of coverage! After your wedding day, I'll remove any photos you wouldn't want or need (people blinking, blurry, etc.) and edit & deliver the rest! Don't worry, I won't withhold any images I think you'll want.

DO YOU GIVE US THE RAW PHOTOS?

Nope! I don't send any un-edited/RAW files! Most of the magic happens during the editing process, so without that step your photos are only halfway done!

HOW WILL WE RECEIVE OUR PHOTOS?

I use a digital gallery platform called Pic-Time. They have a beautiful gallery layout in which to display your photos and offer user-friendly print services. You can easily share your gallery with friends and family, and print calendars, photo albums, wall art, and so much more! For weddings, some packages may include a hard drive and prints as well.

DO WE NEED AN ENGAGEMENT SESSION?

This is up to you, but I totally recommend one for a few reasons! First, my style of photography works best when we've gotten to know each other. An engagement session is the perfect time for us to hang out & spend time together before your day! It's also a great way to get comfortable in front of the camera, and practice makes perfect. It's totally natural to feel a little bit nervous/awkward when you're not used to having your photo taken, but your engagement session will make you two pros by the time the wedding rolls around!

DO YOU TRAVEL?

HECK YES! I love, love, LOVE to travel, and the only thing I love more than traveling is photography. Sign me up for those wild, romantic, adventurous shoots. Travel rates will apply for all locations outside of California - but don't let that scare you! Let's talk and figure it out :)

ARE YOU LGBTQ+ FRIENDLY?

Absolutely. Yes. Love is LOVE. And all love is as equally valid and beautiful and deserving of celebration as the next. No matter who you are or who you love, I will be there, open heart and open mind, to capture and celebrate you and your boo!

HOW CAN WE WORK WITH YOU?

Visit the Contact page on my website and send me an inquiry! Give me all the deets - your day, the venue (if you have one already), and all of your hopes and dreams about how it will look and feel! I'll be sure to respond within 48 hours of receiving your email and we'll set up a time to chat more!

NEXT STEPS

01 *Contact me*

If you're interested in my wedding and elopement photography services, please complete the contact form on my website. Once I receive your inquiry, we'll set up a time to chat more about your day, needs, and love story!

02. *Say yes!*

If you decide I'm the photographer for you, you'll sign a contract, pay the initial deposit, and lock in your date! If you have an engagement session included in your package, this is also when we'll begin planning and coordinating your shoot.

03. *Wedding day*

The day has finally arrived! By this point, we'll have already established a timeline, priorities, and created your family formals shot list—this way you can enjoy your wedding day. Let's celebrate in style and dance into the night!

04. *Your gallery*

Within the first week after your wedding, you'll have sneak peeks from your beautiful day in your inbox! And over the next 8 to 10 weeks, I'll work to finalize your gallery and deliver all of the beautiful, emotional moments from the day.

REVIEW 03.

“Emma is amazing! I can't recommend her enough. She is so professional and sweet and so accommodating! She captured our day perfectly and was so easy to work with! She was super helpful with poses but also amazing at capturing the little moments that naturally happen. She brought amazing energy and worked so well with our entire bridal party to grab the best group shots. We just received all of our photos from our wedding and we are blown away at how amazing they came out. We are so happy we picked Emma to be our photographer!”
